SALT-FREE SEASONING BLENDS

Bold Flavor. No Salt.

Limiting sodium is a growing trend in the U.S.¹ But offering healthy menu options doesn't mean your patrons have to miss out on taste. Dash™ seasoning blends add delicious flavor to any dish, without adding salt. They make healthy menu planning easy!

- **Health & Wellness.** Over 150MM adults struggle with high blood pressure and pre-hypertension and need to actively limit sodium.¹ While Americans consume about 3,400mg of sodium per day, the recommendation is 2,300 mg of sodium per day overall.²
- **Flavor Without Salt.** Recommendations for sodium reduction include flavoring foods with herbs and spices instead of salt.²
- **K-12 Cutdowns.** 2024 lunch and breakfast sodium requirements have elementary schools cutting sodium to 935mg & 485mg, middle schools to 1,035mg & 535mg and high schools to 1,080mg & 570mg.³
- **Healthcare Too.** 72% of hospitals, 83% of senior living operations and 59% of long-term care facilities say they're cutting back on sodium on the menu too.³

Why Dash™ Seasoning Blends?

- **Bold Leader.** The Dash™ brand is the market leader in salt-free seasonings and a recognized household name with consumers.
- **Salt-Free. Flavor Full.** Dash™ seasoning blends are flavorful, consistent and helps fresh ingredients taste even better without increasing sodium.

- **Flavor to Savor.** With seven seasoning blends that are traditional or on-trend, they bring big appetite appeal to any menu item.
- **Batch or Customize.** Dash™ seasoning blends are available in 21 oz. bottles for back of house as well as portion control packets so patrons can add as much flavor as they'd like.
